\*On plans \$35 and up. \$35 Plan uses existing high speed data for hotspot. Plans \$50 and up allocated up to 10GB of non-shareable data per line for hotspot usage, which is counted against their existing high speed data allotment. Once high speed allotment has been exhausted, hotspot cannot be used until next plan cycle. Data Add-On cards are incompatible with hotspot data usage. Hotspot is only available on compatible 4G LTE and 5G devices. Actual availability, coverage and speed may vary. Certain restrictions apply. Total Wireless reserves the right to terminate your service for unauthorized or abnormal usage. Plan, features, and limitations may vary. When compared to monthly cost of comparable 4-line postpaid plans of leading carriers. Excludes taxes, fees, autopay discounts, and limited time pricing.
